3. Application Rules

- Project to be realized between 01 January 2012 and 31 December 2012
- **Language: English (only)**
- Application Form to be used: Typewritten, fully completed
- Authorization: President and/or General Secretary, signature and stamp
- For each project/application, separate form(s) shall be filled out
- The **eligible applications will be evaluated** by the IWF Development and Education Commission.
- The total budget of the project (only under B), C) points) shall be shared by minimum 2 parties, the IWF will not provide the whole budget of the project, each party should make a contribution (Applicant CF/RF, IWF, participants).
- In case your application is successful you have to make sure that during the project (program, use of equipment, etc.) and in every official publication –

project documents, Magazine, Bulletin, and Website - **the support of the IWF is clearly indicated, IWF logo is to be posted**. Copies / examples must be sent / communicated to the IWF.

Please find some examples including but not limited to the followings: in case of a seminar a dedication has to be made to the IWF. The minimum size of the IWF appearance must be same as the biggest other supporter. In the event of receipt of technical equipment the National Federation shall promote the IWF Development Program.

- In case your application is successful to organize a seminar, an IWF Representative shall be invited to participate (travel costs will be covered by the IWF, local costs shall be covered by the Organizing Committee).

4. Deadlines

- Deadline for application (by CF/RF): **20th February 2012**

5. Financials

- In case of financial support, only **up to 50% of the allocated amount** will be transferred **in advance** to the official bank account of the CF/RF.
- The **remaining amount will only be transferred within 30 days following** receipt of the fully completed Post Project Report Form in addition to every other necessary document (original invoices, receipts, etc) to be attached.
- The IWF has the right to audit and verify the utilization of the allocated funds / goods at the relevant organisation. If a supported project will not be completely or partly realized, the total or remaining amount shall be returned to the IWF immediately via bank transfer.
- The IWF reserves the right to allocate support for an eligible Applicant for any special project within the framework of the IWF Development Program.
