

18TH December , 2019

To all Commonwealth Weightlifting Countries

**Invitation Message from the
President of the Nauru Weightlifting Federation**

Dear Member Countries,

Greetings from the pleasant Island of Nauru.

We are indeed honoured that Nauru for the first time in many years, are hosting the 2020 Commonwealth and Oceania Youth, Junior and Senior Championships. It was back in 1998 that Nauru hosted the same event and it was an event that has been remembered and talked about by many who attended even to this day.

As you would be fully aware, the 2020 Commonwealth Championship for Senior and Junior, is a SILVER Event for the 2020 Tokyo Olympic qualification.

These championships will be held from the 21st to 25th April. Whilst the verification of entries to be held on the 19th April.

Please find attached, all information regarding the accommodation costs and all other relevant details pertaining to the Commonwealth Championships.

The people of Nauru love weightlifting. Nauru is very well known for its weightlifting success in the region and internationally. You will witness first hand the strong support and interest that our country will provide. We look forward to welcoming you all to our beautiful Island and we hope you will have a memorable and successful stay.

On the above note, it gives me great pleasure to extend an invitation to your Federation to attend these championships. Nauru looks forward to your participation.

Yours sincerely,

Hon. Marcus Stephen MP

**PRESIDENT
NAURU WEIGHTLIFTING FEDERATION**
